Additional sponsorship opportunity providing access to young professionals: A core part of NEWIEE's mission is to provide opportunities for young professionals to connect with and learn from more experienced women in the field. To provide young professionals the opportunity to attend the gala, we invite sponsors at any level to add on a "benefactor" sponsorship. This involves the purchase of an additional 5 tickets that NEWIEE gala organizers assign to young professionals who would otherwise not be able to attend the gala, for an additional cost of \$1,250 to the sponsor.

NEWIEE is deeply grateful to benefactor sponsors for enabling young professionals to attend the gala, and those benefactor sponsors will receive additional recognition in the gala program.
